Extended Term for Sec 3 E and Sec 3N pupils taking GCE 'O' Mathematics at Sec 4

- 3 All Secondary 3 Express pupils and pupils from Sec 3NA taking the GCE 'O' Level Mathematics are required to return to school from 2 Nov 2009 to 20 Nov 2009 for lessons. Teachers will begin teaching the Secondary 4 Express syllabus to give your child/ward a head start in preparing him/her for the GCE 'O' Level Examination in 2010.

It is important that your child/ward be present for the lessons, as there is much to be covered in the 'O' Level syllabus. Topics covered in the various subjects during this period will not be re-taught in year 2010. A schedule is posted on the Internet for your reference (<http://www.boonlaysec.edu.sg>).

In view of the importance of this preparatory period, the school expects **full attendance** from the pupils. A medical certificate is required should your child/ward be absent from school. Please arrange your vacation plans with your child/ward such that they do not fall within this period of time. Your child/ward is also expected to be in school attire when he/she is in school for lessons.

Sec 2 N Bridging programme for Mathematics

- 4 All Sec 2N pupils taking GCE 'O' Mathematics will have to attend the Mathematics bridging programme from 2 Nov 2009 to 20 Nov 2009.
